84.5%

passengers

Motivations for certified helmet use³

CONCLUSION

- 2/3 of Ukrainians wear motorcycle helmets
- Only 27% are aware of their helmet's certification standard
- 86% support mandatory certified helmet use
- Affordable pricing and legal requirements are the main motivators for certified helmet use

RECOMMENDATIONS

- Implement ECE 22.06 standard in Ukraine
- Hold recurring information campaigns on the importance of certified helmets

³ Of those that do not own a helmet or do not use a certified one
